Welcome to Vancouver EMDR Therapy & Neurofeedback!

701 NE 136th Ave. Suite 200 Vancouver, WA 98684

My office is located in east Vancouver across from Firstenburg Community Center. There is easy access to my office from Mill Plain Blvd. or 18th Street.

I am located in the Evergreen Plaza on the second floor. The office is in a secured building. When you walk up to the front door you will see a sign on your left that says, "Suite #200" and a button. Please push the button to alert the receptionist that you have arrived. The receptionist will buzz you in.

Walk upstairs (or use the elevator) to the second floor. Please check in with the receptionist at the Regus waiting area. I will meet you in the waiting area at your appointment time.
