

# TAKE CHARGE OF YOUR LIFE with ALPHA-STIM®

THE DRUG-FREE, CLINICALLY PROVEN TREATMENT FOR  
**ANXIETY, INSOMNIA, AND PAIN**

## DON'T LET THE STRESS OF BEING A FIRST RESPONDER WEAR YOU DOWN

Your job can take a toll on your physical and mental wellbeing. High levels of stress, physical demands, and inadequate or erratic sleep push your body and mind to the limit on a regular basis. It's no surprise that first responders struggle with stress and sleep. But because of the demands of your job, it might not make sense for you to take medications that could impair your ability to perform at your best.

You'll be glad to know that there is an alternative to medication that is:

- Fast, safe and proven effective
- Handheld, discreet, portable, and easy to use
- Proven safe and effective with 100+ clinical studies

Try Alpha-Stim today with a 30-day money-back satisfaction guarantee.

As a firefighter, you are vital to your community.  
You have our six, so let us have yours.
